Standard for Recertification

1. The career appointee must perform at the level of excellence expected of a senior executive. Excellence means that the executive has demonstrated over the recertification period that he or she has achieved excellence in:
 - a. Planning for, substantially advancing, and attaining Presidential, agency, or organizational goals and objectives that required a sustained superior effort.
 - b. Taking specific initiatives that advanced a major policy and/or significantly improved delivery of services.
 - c. Taking the necessary actions to ensure the achievement of a quality product in a timely manner.
 - d. Making significant technical, scientific, or professional contributions.
2. Also, if applicable to the responsibilities of the senior executive, excellence is demonstrated by:
 - a. Achieving substantial savings in the execution of programs under his or her direction.
 - b. Maintaining the high quality and effectiveness of programs under his or her direction with reduced resources.
 - c. Providing strong leadership to enhance the development, utilization, and achievements of subordinate personnel, including achievement of equal employment opportunity goals.

The following recommendation is based on an assessment of the executive's overall performance during the recertification period in relation to the above Standard of Recertification stipulated in law, regulation, and agency written procedures.

Supervising Official's Recommendation

Recertify ☐ Conditionally Recertify ☐ Not Recertify ☐

In making this recommendation, I have given due consideration to the executive's overall performance during the recertification period, including performance ratings, awards and other recognition, developmental activities, and other relevant qualitative factors specified in the agency SES recertification plan. If the above recommendation is to conditionally recertify or not recertify, I have attached the required written justification specifying the standard for recertification not met and other relevant supporting documentation.
